Many thanks to the **Donnellys** for another great barbecue; the weather was perfect as was the camaraderie. Special thanks to all of you for your generosity. We raised over \$710 for scholarships in conjunction with the barbecue. By the way, you will have a chance to meet our four 2015 scholarship

recipients at our 6 December Christmas Scholarship Social.

We also had the pleasure to introduce and meet a new member and his spouse, **Bruce** and **Lynn Miller** at the barbecue. **Terry Babin** brought his Marine friend, **Spike Duff** who was passing through on his way back home to San Diego after an extensive sightseeing trip around the USA. It was a pleasure to meet and chat with these folks.

Barbara Decoito, Fisher House Program Manager, just sent us a partial "Wish List" (please see page 6, below newsletter) of items needed on a one-time as well as on a recurring basis. While the Fisher House anticipated opening is not until January 2016 we can start planning to meet their desired needs as individuals as well as a chapter (using our Support the Troops Fund). There are also some really helpful activities you can volunteer

for. If you step up for a volunteer function please let **Rodney Williams** or me know.

Good news. We are now only one

step away from a having our 501(c)3 Foundation ready for your Scholarship and Support the Troops donations. The formal name is Columbia River MOAA Foundation (CRMF). The current elected officers of the CRMF are **Dave Casteel**, President; VP vacant; **Evelyn Brady**, Secretary; **Frank Hill**, Treasurer. These four officers will serve until you, the chapter members, elect them or other nominees at the Annual Meeting in February. The CRMF is set up as a subsidiary of the chapter with chapter board members also serving as CRMF board members thereby insuring the chapter has oversight.

PRESIDENT'S MESSAGE continued

The CRMF is incorporated with Washington State and registered with the state charities division as a public nonprofit. Our UBI number is 603-536-781 and our IRS EIN is 47-4776049. We are now in the process of submitting the IRS Form 1023EZ for IRS recognition as a public nonprofit charitable organization. The chapter is paying the administrative expenses to set up the foundation--our intent is to have 100% of your donations go directly to the Scholarship or Support the Troops funds. We will keep you advised of our progress.

By the time you read this, you should have received a call from our member services calling team checking on your welfare, asking for your opinions, and updating your contact information. If you did not get called, please advise **Terry Babin** or me (contact information is on the front of the newsletter).

As **Beth Brown**, a long time chapter and board member of over 10 years, changes roles I would like to formally recognize and thank her for her selfless dedication to our chapter. I have included an article inside about her.

On a sad note, this is to inform you of the loss of one of our long time member's spouse, **Joanne Hathaway**. She is missed. Please see more information about **Joanne** inside this newsletter.

AND as always, keep hitting SEND on Legislative Alerts from MOAA. (I know was taught not to start a sentence or a paragraph with a coordinating conjunction, but I'm doing it to get your attention). Our active duty men and women are under attack from a Congress and an administration that says one thing and does another. If they are as proud of, and thankful for, the men and women in who serve in the armed forces, then they need to find a way to find the money and prove it with action.

Special Note of Thanks by Dave Casteel

The board would like to take this opportunity to recognize and give special thanks to **Beth Brown** for her many years of selfless service to the chapter.

Beth became active in the chapter when the chapter was on the verge of folding a little over 10 years ago. At that time, the President, Vice Presidents and Secretary all vacated simultaneously due to health and other reasons. A call went out and **Beth** stepped forward to serve as Secretary with **Terry Babin** serving as President. It was during her stint as Secretary that we formally became a Internal Revenue Code 501(c)19 war veterans organization.

After her time on the board as secretary ended, **Beth** stayed on working on programs and serving as the Air Force Service Representative. Beth is handing off the Service Representative baton to **Jeremy Baenen** but will continue to remain active working on chapter programs. She also continues to represent our chapter on the greater Clark County Community Military Appreciation Committee (CMAC). In addition, **Beth** simultaneously served for many years as an appointed member on the Governor's Council on Ageing. In addition, she continues to be very active in her church.

We are very pleased **Beth** will continue being active. Her involvement directly contributes to the chapter being recognized for high levels of excellence.

In Memoriam Joanne Hathaway

June 9, 1930 -- August 30, 2015

Joanne was married for 60 years to Cliff who predeceased Joanne by several years. Cliff, a retired Navy officer, was very involved in our chapter and served on the chapter board as the Navy Service Representative for many years.

Joanne and Cliff were regular fixtures at chapter functions and recruited many chapter members, including our current chapter president. Joanne was an outgoing and active professional and devoted wife, mother, grandmother and great grandmother. We miss both her and Cliff.

National MOAA Auxiliary Changes Name by Dave Casteel

According to **Gail Joyce**, Surviving Spouse Advisory Committee (MOAA): In April 2015, the Auxiliary Member Advisory Committee (AMAC) changed its name to the Surviving Spouse Advisory Committee (SSAC). SSAC members like the name change a lot because we think it reflects who we are. Many people do not know what an "auxiliary" is, but everyone knows the meaning of "surviving spouse." Based on early feedback, MOAA members like the name change as well.

Therefore, our chapter auxiliary representative, **Terry Whisenant**, will henceforth be known as the chapter "Surviving Spouse Liaison."

Membership Update by Evelyn Brady

Our Chapter continues to grow and thrive. New members bring us new perspectives, new ideas, and new energy, and strength to our chapter. We welcome new members, and encourage them to participate as much or as little as they like. Columbia River Chapter is highly visible in our community, and we invite all of you to join us on Veteran's Day at the Armed Forces Reserve Center. Wear your MOAA badge proudly!

You can reach me at evelynbrady@rocketmail.com or (360) 425-8056.

Membership Recruitment Committee

CAN I REALLY JOIN FOR FREE??:***MOAA Membership by Ron Pastor***

First, reasons why you may want to join. The Military Officers Association of America (MOAA) is a nonprofit nonpartisan organization that works to support military officers and their families at every stage of life. MOAA plays an active role with Congress on behalf of the military community on issues that affect the career force, the retired community and veterans of the uniformed services.

In order to join a chapter, you must be a member of the national organization. There are three levels of membership: basic, premium and life with progressively greater benefits. The basic level is free for three years which allows you the opportunity to experience what MOAA is all about. You'll receive e-newsletters, information about job fairs, networking events and be eligible for valuable discounts on products and services. Did I mention that basic membership is free?

Our Columbia River Chapter membership fee is \$15 per year but is also free for the first year. In fact if you enroll late in the calendar year, the remaining months as well as the following year are free. Our chapter continuously is given the highest award rating and we have an award-winning newsletter. We have social events (luncheons, dinners, and parties) most months of the year which include informative and entertaining guest speakers

not to mention an opportunity to swap war stories. Spouses are always welcome and encouraged to attend. We participate in community affairs, maintain contact with our legislators, advocate for causes in our interest, and sponsor scholarship and "support-the-troops" programs.

To summarize, yes you can join both the national MOAA and our local chapter cost-free. Our social events which feature great meals have a modest cost, usually \$15 per person.

Why not give us a try? Contact our Membership Chair, Evelyn Brady at 360-425-8056 or evelynbrady@rocketmail.com. She would love to talk with you and even take care of the paperwork.

Agent Orange & VA Benefits by Sharon DeVaney

A memo shared by our **Terry Whisenant**, our Chapter Surviving Spouse Liaison.

The Surviving Spouses of MOAA
The Heart Behind One Powerful Voice®

DATE: September 22, 2015

TO: Chapter and Council Auxiliary Liaisons

FROM: Surviving Spouse Advisory Committee (SSAC)

SUBJECT: 'Agent Orange'

By **Sharon DeVaney**, vice chair, Surviving Spouse Advisory Committee

After my husband died unexpectedly from a heart attack and the shock wore off, I began to learn about Agent Orange and the part it might have played in my husband's death. Like many veterans his age, he served in Vietnam and I thought he might have been exposed to Agent Orange. He was a Forward Air Controller and flew small planes over combat areas from 1967-1968. After he returned from Vietnam, he was assigned to Strategic Air Command as a B-52 pilot. During 1970-1971, his temporary duty assignments took him from Minot AFB in North Dakota to Thailand where he flew bombing runs over the war zone.

We had a speaker from the VA at one of our monthly MOAA luncheons. He talked about Dependency and Indemnity Compensation (DIC). He wasn't specific about who was eligible, but it seemed my husband's death might qualify me for DIC. I already had met with personnel at the VA soon after my husband's death so I would understand my benefits. I was disappointed with the reception and the information I received. I was reluctant to return to the VA to learn more about DIC. Then I met someone who was actively encouraging widows and widowers to attempt to

find out about the benefits their spouses had earned through their service.

I used the Internet to learn more about Agent Orange < <http://tinyurl.com/qhmqnvo> > and found a list of presumptive diseases on the VA website. I realized the cause of death on my husband's death certificate was on the VA's list of presumptive conditions, which includes ischemic heart disease, hairy cell and other B-cell leukemia, Parkinson's disease, prostate cancer, chronic lymphocytic leukemia, Hodgkin's disease, Non-Hodgkin's lymphoma, or multiple myeloma.

I made another appointment with the local VA. Fortunately, my appointment was with someone who was very understanding. I was asked to bring all paperwork that showed my husband had been stationed in Vietnam sometime between Jan. 9, 1962, and May 7, 1975. I brought a stack of papers, including a copy of the Red Cross telegram notifying my husband of our son's birth in May 1968. The VA representative reviewed my paperwork and prepared an application. A few months later, I was awarded DIC.

If your spouse or a family member served in Vietnam and he or she has been diagnosed with one of the presumptive diseases, be sure to learn about possible benefits.

For more in-depth information regarding DIC eligibility and the application process, visit the DIC < <http://tinyurl.com/nwam4a4> > section of the VA's website. If you believe you are eligible for DIC after reading through the information, we suggest you contact a local accredited Veterans Service Organization (VSO) < <http://www.va.gov/vso/> > to assist you in filing a claim.

PORTLAND VA FISHER HOUSE *"Wish List"*

What your home needs, our home needs....

Thank you for your interest in helping families who will be staying at the Portland VA Fisher House! The following list includes items that are "one-time" or "continuous" needs to provide our home with day-to-day essentials when the house is operational. Your donation will help with daily needs so families can focus on providing healing comfort to their loved ones.

Portland VA Fisher House, Vancouver, WA Campus will not be fully constructed until January 2016; we can accept item donations at that time. Until the anticipated time arrives, we are happy to share what the needs will be to prepare for the future arrival of our guests.

MONETARY DONATIONS: Provide us the flexibility to use your donations as a particular need arises. Donations can be made in person or by mail. Checks should be addressed to "Fisher House Foundation." Please note "Portland VA Fisher House Operations" in the memo section.

Address: Fisher House Foundation, P.O Box 97229 Washington, DC 20077-7804

We can begin accepting monetary donations directly once the Portland VA Fisher House opens

For questions please contact Barbara Decoito, Portland VA Fisher House Program Manager at 360-696-4061 Ext. 32285 or barbara.decoito@va.gov.

Legislative Affairs: by Rod Williams

Since returning from their summer break both the Senate and House passed the defense bill. As of this writing it was awaiting Presidential signature or veto. By the time you read this we may know if President **Obama** exercised his veto to counter action by Congress adding \$38 billion in a supplemental wartime account exempt from budget caps

On Oct. 1, MOAA President Vice Adm. **Norb Ryan**, USN (Ret.) wrote the president urging against a veto. "As much as we disagree with some of the provisions," Ryan said, "the fact is that we are still a nation at war, and this legislation is vital to fulfilling wartime requirements." On the surface it might appear that a veto might give chance to redress some of the provisions MOAA opposed, however, a veto would not reopen any of the things MOAA is concerned about in the bill. We lost those fights in the Armed Services committees, with compromises grudgingly reached in the interest of getting a bill passed. Our National MOAA representatives opine there is zero possibility of any of those things being renegotiated in a Hill environment that is focused almost exclusively on budget issues, such as, raising the debt ceiling, figuring out the entire government budget, and avoiding a federal shutdown by funding it through a continuing resolution or some other measure.

MOAA has taken the position that the best option is for the President to sign the defense bill with the \$38 billion in contingency money now, keep the White House and Congress focused on negotiations

on the already huge challenges for the remaining legislative year, and push our remaining legislative agenda in 2016.

In September President **Obama** used his executive authority to cap military pay for the third consecutive year. In 2014 and 2015, pay raises were capped at 1 percent. For 2016 pay raises will be capped at 1.3 percent, instead of the 2.3 percent raise called for by law. The troops' last four raises averaged less than 1.4 percent, with the FY14 and FY15 pay raises being the lowest in 50 years. In announcing the cap, President **Obama** said he is, "strongly committed to supporting our uniformed service members, who have made such great contributions to our Nation over the past decade of war." However, he insisted that this move is necessary to, "maintain efforts to keep our Nation on a sustainable fiscal course." Many of us recall the pay caps during the 1980's and 90's, which created a 13.5 percent pay gap caused recruitment and retention to suffer. It looks like we are about to repeat history.

As always, I encourage you to stay informed and act. Go to the "Take Action" tab at WWW.MOAA.ORG and stay on top of the hot topics. Exercise your voice and email to our two Senators and our Representative. We owe it to those who have served and are still serving to speak up and not be a silent constituency.
